Features

- Heavy gauge aluminum construction provides weight savings and prolongs corrosion resistance
- Protects the rear window from accidental breakage
- Louvers help shade the truck interior from sun damage while allowing unobstructed visibility
- Mounting kit is included and installation is the same as the steel version
- Available in durable white or black polyester powder coat finish
- Compatible with all WG accessories: BWGLITEMNT, BSTRBRNDWG, BSTRBRCTWG, BSTRBMNTRCT, BSTRBMNTRND, BWG10 CAP
